

Community Involvement

Pride of Tallahassee, #61

Saturday, March 30th, 2013 Pride of Tallahassee, Court, #61 and Alex H. Walton, #56 participated with a community project to Donate clothes, toiletries, household items and food items to ECHO (Emergency Care and Help Organization) We also fed over 120 people Chilli, cheese and chips bowls, as well as assorted sodas and water. ECHO's clients are served in two areas: Emergency Resources Program and Family Services Program. With a small staff and a large volunteer base, their programs are designed to assist people in their efforts to become independent, productive, and stable. They believe that encouragement, planning, and hope will be the impetus for lasting change and those who live under the burden of poverty can rise above it and lead fuller and more productive lives.
