It is my sincere hope, that you have a most productive and prosperous Annual meeting. Congratulations and Best wishes, as you celebrate your 122nd Grand Session.

Fraternal Greetings From
Grand Lodge Knights of Pythias
 North America, South America, Europe, Asia, Africa and Australia

Sir Knight Clarence Monette, Grand Chancellor

To the Supreme Chancellor, Supreme Worthy Inspectrix, Grand Worthy Counsellor, Grand Worthy Inspectrix, DOKO, Princesses, Uniform Rank, Youth, Nurses, Drill Corps, Grand Lodge/Grand Court Delegates, Officers & Members:

GREETINGS.

Today as we meet in Tallahassee, home to the state capital, two state universities and other excellent colleges and schools; I welcome you with great pleasure to the 122nd Grand Lodge and 107th Grand Court Sessions. I pray that your sessions will be filled with fidelity, harmony and love.

In my tenure as Grand Chancellor that began in May of 2003, I have had two primary goals. The first is to increase our membership and the second is to increase the benefits that you receive as a member of the Order. We can accomplish both of these goals by becoming more visible within the communities in which we live and work. Thus, our theme for this Pythian Year: **Growth through Community Based Programs.**

Given that we are experiencing challenging economic times, it is my belief that all Pythians and Calanthes must stand up and be counted as those who are willing to lend a helping hand in our communities through the State and nation. I ask all members and their families join in our efforts to grow our Order so that all of us can benefit.

I would like to extend a special thanks to the local lodges, courts and committee members for their dedicated efforts put forth to make these Grand Sessions a success; and for their continuous support and inspiration.

Best Wishes,

Clarence Monette

As we live and grow as a group, changes occur. In order to continue to survive in today's society, we must change with the times. We must develop new missions that include a greater commitment to serve our communities and each other. Our new mission for the Uniform Rank is to Embrace, Educate, and Support the youth in our order and our communities in the Jurisdiction of Florida. Through the engagement of our Cadet Department, we will accomplish our mission. Again, Best Wishes for a successful Grand Lodge Session in Tallahassee, Florida

Representative Alan Williams was born and raised in the Tallahassee, FL. He graduated from Rickards High School in 1993 and earned his B.S. and M.B.A. degrees in Business Administration from Florida Agricultural and Mechanical University (FAMU). His roots and dedication to his hometown run deep and wide.

Representative Williams is the President & CEO of MW Land & Investments, LLC, a property management and business development firm, founded in 2006.

In November 2008, Williams was elected to the Florida House of Representatives by the voters of District 8, encompassing parts of Leon and Gadsden Counties. He advised the Mayor on appointments to all city advisory boards and represented the Mayor's interests as a board member for the Tallahassee Visitors and Area Convention Bureau and the NASA Challenger Learning Center Board of Advisors.

Living by the motto, "To whom much is given, much is required," Representative Williams offers his time to several community charities and organizations. One of his favorites is "Voices to Action", an organization of young professionals dedicated to improving the lives of foster care children in Tallahassee. Representative Williams also serves in numerous civic capacities. He is an active and enthusiastic member of Leadership Tallahassee, Opportunity Tallahassee, Leadership Florida, area Chambers of Commerce, United Way of the Big Bend Board of Directors and the United States Commission on Civil Right Advisory Committee, to name but a few.
